DIGITAL TRANSFORMATION

Online Training Program on
**Digital Transformation for Public Sector
Organizations**

(September 14 - 17, 2020)

Program Director: PVS Prakasam

PERSPECTIVE

Every business, public or private sector, small / medium / large enterprise is exposed to Digital tsunami that is taking place around us. To remain relevant and to meet the demands of the customers and business, an organization has to reinvent itself which requires a complete transformation to be put in place. Digital Transformation is a leadership and strategic initiative that has to be driven by the leadership team with an overall organization reach and has to be dealt with in a manner that gains acceptance of all the stake-holders. Public Sector Organisations who have a strategic role are in the fore-front of transforming themselves in line with the external environment. This program is accordingly designed to impart the steps involved in taking up Digital Transformation with specific focus on Public Sector organization context for the participants to have a better appreciation of the approach and tools.
