# Program on Personal Growth through Self-Exploration

COD campus  
Hyderabad

January 19-23, 2026

---

*Program Director*  
**Prof. A. B. Prasad**

## Focus

Organizations have to constantly innovate and seek new ways of attaining success in ever changing business environment. Their executives are the main propellers of constant change and reinvention. In today's turbulent globalized environment an individual has to prepare himself to face the unforeseen challenges of rapid change. Many times it is 'Self', i.e. what we are as an individual, that becomes a stumbling block in our growth and development. The self extends into our role and influences our functioning in a managerial role. In order to contribute continuously managers need to concentrate on personal growth and learning by self-exploration into their values, beliefs and attitudes. They have to unlearn old dysfunctional attitudes and behavioral styles and acquire new approaches to solving problems. They have to constantly build on their strengths and concentrate on the areas of improvement.

The program is designed to address the issues of personal growth through self-exploration. The participants will get the opportunity to become aware of their strengths and areas of potential development through standardized diagnostic tools and structured exercises.

## Objectives

The program aims at:

- To get an insight into the beliefs, attitudes, values and self-concept.
- To appreciate the value of emotional intelligence.
- To understand the importance of communication in our interpersonal relations.
- To enhance personal effectiveness by developing personal power and constructive openness
